

## I-20 Extension Checklist

In order to request a program extension, you will need to bring the following to OISS. You may request an extension by submitting the documents on the checklist at any time it becomes apparent that you will need to extend your I-20. However, you **MUST** request an extension at least 30 days before your I-20 expires.

Please visit [I-20 EXTENSION INFORMATION](#) before you begin the extension process

| Documents   | <input checked="" type="checkbox"/> |
|---|-------------------------------------|
| 1. A letter from your academic advisor explaining, in detail, the compelling academic or medical reasons for your delay in completing your degree requirements. The letter should certify that the reasons for requiring more time are academically or medically related, and should specify a new estimated completion date. ***If reasons are medically related you <b>MUST</b> submit a supporting letter from a physician as well.*** |                                     |
| 2. A financial plan detailing how many credits (if any) remain to be completed, and your estimated personal financial requirements (housing, insurance, food, books, transportation, and living expenses) for at least one year.  |                                     |
| 3. Evidence of financial support for any dependents on F-2 proven with Official Bank Documents.   |                                     |
| 4. Current Official financial documents certifying availability of financial resources to meet your financial requirements outlined in your financial plan.   |                                     |
| 5. Copy of most recent I-20.  |                                     |
